

Summary of Landscaping Committee – November 14, 2023

The Landscaping Committee met on November 14, 2023. Four homeowners were present: Mary Grace Werner, Cindy Radford, Shirley Kassebaum, and Judy Maury.

Points of Discussion:

- Work around golf course is going great. Mary Grace, Cindy, and Julie are supervising.
- The schedule is helping keep things on track. Holiday dates (November 24th, December 22nd, and December 29th) need to be clarified.
- Updates to schedule are as follows:
 - November 17th – Finish Hole #4 and work on Hole #5
 - November 24 – Work on Hole #6
 - December/January – Start interior areas. RED will be first followed by YELLOW, GREEN, and BLUE
- Additional landscaping projects will include:
 - Assessment of trees in common areas by Bartlett's Tree Service
 - Rocks along Baltusrol
 - Plants at the entrance
- Landscaping contract is expiring so Tammy of the Stellar Management Company will help with recommendations and a proposal form for us to use.
- Landscaping will have a separate section on the HOA website.
- An HOA newsletter will have contact information and landscaping updates so homeowners will know when to expect work around their common areas.
